Dear Mr Rehder, Mr Schieffelin, Ms Chaki

Enclosed is the Revised Draft Final Proposed Plan for Operable Unit 3 (Offsite Areas) for your review and comment. The document has been revised based on previous comments and staff discussions. DOE requests that comments on the document be provided back to us by January 19, 1996. DOE proposes a working group meeting the following week to discuss comments and prepare the final document. At that time, the group can establish the public comment period and public hearing date.

DOE appreciates the effort by CDPHE and EPA in expediting this review. If you have comments or would like to discuss the document prior to the above meeting, please call Dave George, the DOE Environmental Assessment Team Leader at 966-5669.

Sincerely,

Steven W Slaten
IAG Project Coordinator
